

The Donnie Neuenberger Foundation, a non-profit 501c organization, has been established by **NASCAR** race car driver Donnie Neuenberger. Donnie first began his contribution to the families and children with cancer in 2005 after returning to **NASCAR** racing just 10 months after being diagnosed with Stage 4 Non-Hodgkin's Lymphoma, a form of cancer.

An annual fundraiser was developed by Donnie to provide support to children while they are undergoing treatment. As a cancer patient himself it enables Donnie to give support to children for a memorable special day. Donnie's visits to spend time with the children and their family allow him to focus on the positive. Donnie shares his own journey and talks racing. Donnie feels if he can serve as a positive role model for those going through their own treatment it will serve as motivation for others to also return to a healthier life.

The Donnie Neuenberger Foundation is the next step for Donnie to continue his support of families and children with cancer. His commitment is to aid both the physical and financial for those in need. Donnie understands first-hand how difficult it is to successfully manage cancer and the effects it has on the family. Donnie invites you to join him in growing the foundation supporting those in need.

For more information about Donnie Neuenberger, DGN Racing, and how to make a tax deductible charitable donation to the foundation visit our website at www.dgnf.org .
